

## Corporate Governance Report for the year ended on 31<sup>st</sup> March 2018

### 1 Company Philosophy:

We continue to believe that good Corporate Governance is essential to achieve long-term corporate goals and to enhance stockholders value. Company was a listed company on the Bombay Stock Exchange. The securities are not being traded at Stock Exchanges because of a legacy issue that exists from the time that the Company became a sick Company, was registered with the Hon'ble BIFR, and wherein because of the Company's sickness the Company was unable to pay the listing fees, and the Company's trading was suspended. The situation was on account of factors beyond the Company's control and the Company was working to resolve the matter with the BSE. BSE ordered the delisting of our Company on the 4th July 2018. The Company has decided to challenge the order of BSE.
